re: PRIA/Background Check Requests

To whom it may concern;

SkyLens LLC is a Part 91 aerial imaging contractor, not carrying passengers or cargo for hire. We are therefore not required to, and in fact, do not drug / alcohol test our pilots and do not maintain detailed training records.

Best Regards,

A handwritten signature in black ink, appearing to read "Bryan C. Porter". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Bryan C. Porter
Director of Flight Operations
SkyLens LLC
